

## Live-FSH5R

### 5-port 10/100Mbps Switch

#### 5-port Fast Ethernet Switch

The Live-FSH5R is a 5-port fast Ethernet switch enclosed in a compact and stylish case. Each port is equipped with Auto-MDI/MDIX to eliminate the need for cross-over cable. In addition, Nway auto-negotiation function ensure plug-in and play simplicity. The comprehensive LEDs allow user to track network status at a glance. AirLive Live series is the master piece of performance, reliability, and simplicity with eye-pleasing decor design.

#### Specification

- Compliant with IEEE 802.3 10Base-T and IEEE 802.3u 100Base-TX standard
- Compliant with IEEE 802.3u Nway auto-negotiation standard
- Dual speed 10/100Mbps auto-detection
- 5 switching ports, 10/100Mbps auto-sensing
- Low temperature operation
- One up-link port
- Compliant with IEEE 802.3x full-duplex and flow control
- Plug-and-Play PnP, auto-configuration
- Wire speed filtering/ forwarding rate
- Non-Blocking throughput
- 1K MAC Address Table, 1Mbit Embedded Buffer
- Comprehensive LEDs for monitoring network status
  - Power
  - Link/ACT
  - FDX/Col (Indicate Full Duplex/ Collision)
  - 100M (indicate 10 or 100Mbps mode)
- Cabling distance: 100 meter (switch to switch or hub or workstation)
- Ultra compact and elegant design
- Dimension: 169 x 118 x 29 mm
- Weight: 0.2 kg
- External power adapter: +7.5VDC /500mA output
- Safety/EMI: meet UL, FCC, CE, Korea EMI standard

#### Ordering Information

**Live-FSH5R** 5 port Fast Ethernet Switch

Manufacturer

**OvisLink Corp.**
